

Homeschool “All Ages” Class Information

- Our 2020 Homeschool “All Ages” classes **begin January 14** and are held **every Tuesday or Thursday, from 10 to 11:30 AM**.
- We are also now offering a **Wednesday afternoon (12:45-2:15 PM) homeschool art class for students, 9 & older**. For this class, we prefer that our students attend on a weekly basis because the projects may require 2-3 weeks to complete. Lessons will be more involved than our Tuesday/Thursday lessons to give our older students the opportunity to explore more advanced art techniques and processes.
- Students are not required to attend on a weekly basis, unless the schedule specifies that it is a 2-week topic.
- During the 1.5 hour class, students will learn new skills and techniques, while creating a piece of art around a specific theme. We will be painting, sculpting, and drawing. Students will also become familiar with famous artists and pieces of art. They will also learn about art’s importance to cultures all over the world.
- For detailed information regarding the theme for each week, see our website (www.1020artworks.com) and view the homeschool class themes.
- Each class is taught by an experienced, state-certified art teacher. 1020 Artworks Studio is run by Rebecca Frausto and Marsha Jenkins, a mother/daughter team who have over 30 years of art teaching experience combined. At our studio, every child is an artist and it is our goal for each student to feel confident and proud of the art they create
- Age Requirement: To attend homeschool classes, students must be 5 or older. We modify each lesson to accommodate our various ages and interests. We adjust the level of difficulty for each lesson based on each student’s age and experience.
- Parents are always welcome to stay in our waiting area during the class, but this is not a requirement. If you have errands to run while your child is attending art class, that is perfectly fine. Children under the age of 5 are also welcome to attend our Little Picassos art class (Tuesdays, 10:30 to 11:15 AM or Thursdays, 11:15 PM to 12 PM) with an adult.
- You may purchase classes through our website: www.1020artworks.com/shop, pay at the studio, or through e-mail (mail@1020artworks.com). **Please be sure to let us know which dates your child will attend**. For payment, we can send you a PayPal invoice or you can pay with cash/check at the studio.
